OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 647 / 51 Enc 4

Bangalore 15th July 19 11

D 389

From

J WEIR ESQ MA

Inspector General of Education in Mysore

To

C S Balasundaram Iyer, Esq , B A ,

Offg Secretary to the Government of H H the Maharaja of Mysore, General and Revenue Departments, Bangalore

SIR

I have the honour to inform you that the present block of 12 rooms of the Tumkur Students' Home is not sufficient for all the boarders, 60 in number These rooms measure 10' x 13' each and can accommodate only 24 students at 2 in each room The remaining students of the Home are accommodated in a private building rented in the extension This arrangement is found to be very unsatisfactory and inconvenient It is necessary therefore to put up a second block of 8 rooms so as to provide accommodation for three students in each room A plan has been accordingly prepared by the Executive Engineer, Tumkur Division It provides for a verandah in the north It appears to me that it is objectionable to have rooms opening separately on to the outside verandah as in the accompanying plan marked (A) A design marked B without the verandah and library was obtained from the Executive Engineer According to design A the cost is estimated at Rs 10,042/- The alternative design B costs Rs 6,513/- causing a decrease of about Rs 3,500/- This sum can be advantageously devoted to other requirements of the Education Department I request that Government may be pleased to pass orders on the alternative designs referred to The plan and estimates together with the Executive Engineer's report

report are enclosed herewith for reference

I have the honour to be,

Sir,

Your most obedient servant,

Inspector General
